Docket No. CP2011-51

**MOTION FOR LATE ACCEPTANCE OF
CUSTOMER CONTRACT FILING NOTICE FOR
PRIORITY MAIL—NON-PUBLISHED RATES
SERIAL NUMBER ENDING: 0440
(May 4, 2018)**

The United States Postal Service moves for late acceptance of its notice of filing for the Priority Mail—Non-Published Rates (PMNPR) customer agreement with serial number ending in 0440, which the Postal Service has filed today in this docket.

Commission Order No. 661 requires that notice of every new PMNPR contract be filed within a reasonable time of the contract's effective date. Due to an internal miscommunication regarding this agreement's effective date, the notice was not filed within ten days of the effective date. Instead, it has been filed within twenty-one days.

The Postal Service discovered the error yesterday in a regular cross-functional review of all PMNPR contracts. The Postal Service regrets the delay in filing the notice, but submits that no party has been materially prejudiced.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
